

**Remarks**

In the Office action, claims 2-14 were objected to as being dependent on a rejected base claim, but otherwise allowable. By way of the foregoing, the recitations of claim 2 have been incorporated into claim 1 and claim 2 has been cancelled without prejudice. Additionally, claims 3, 4, 7, and 11, which were formerly dependent on claim 2, have been amended to be dependent on claim 1. Accordingly, claims 1 and 3-14 are pending. It is respectfully submitted that all claims are in condition for allowance.

The Office action objects to the disclosure for the informality of reciting "To whom it may concern..." As discussed with Examiner Lee on June 28, 2005, it is respectfully submitted that this language appears only on the title page (i.e., the specification cover sheet) of the specification that was filed on December 30, 2003. As such, it is respectfully submitted that there is no need to amend the specification.

Reconsideration of the application and allowance thereof are respectfully requested. If there is any matter that the examiner would like to discuss, the examiner is invited to contact the undersigned representative at the telephone number set forth below.

Respectfully submitted,
